

## INTERNATIONAL WORKSHOP ON ADVANCED TECHNIQUES IN GENOMICS RESEARCH

January 27<sup>th</sup> - 30<sup>th</sup>, 2015

Conducted by  
Madras Diabetes Research Foundation, India  
&  
University of Minnesota, U.S.A\*

An international workshop on the advanced techniques in genomics will be held from January 27<sup>th</sup> - 30<sup>th</sup>, 2015 by MDRF in collaboration with University of Minnesota, U.S.A. This workshop is aimed at training and capacity building of researchers in advanced techniques in genomics such as Direct sequencing, MassARRAY and Microarray. The workshop also includes a series of lectures on genomics and statistical analysis by eminent international scientists. Curriculum vitae and a one page write up on the research background and interests, and why this workshop could be helpful for the candidate's research should be enclosed along with the application form. Participants are requested to make their own travel and accomodation arrangement. Working lunch will be provided.

Application forms can be downloaded from our website [www.mdrf.in](http://www.mdrf.in).

Last date for submitting applications through e.mail or post – January 06, 2015

Registration Fee: Rs. 2000/-

### Organising Chairpersons

(MDRF, INDIA)

Dr. V Mohan

President

Dr. R.M. Anjana

Vice President

### Organising Secretary

(MDRF, INDIA)

Dr. Radha Venkatesan

Executive Scientific Officer & Head

Dept. of Molecular Genetics

### International Faculty

(University of Minnesota, U.S.A)

Dr. Myron D. Gross

Dr. Kenneth Beckman

Dr. Weihua Guan

### Venue

Madras Diabetes Research Foundation,

No.20, Golden Jubilee Bio tech Park for Women Society,

SIPCOT, Siruseri , Chennai– 603 103.

Ph.No. 044 33505555
